Field Sanitation Team Certification Course (FSTCC)

Field Sanitation Team Equipment and Supplies

FSTCC015-

Enabling Learning Objectives

- Identify FST member, supply sergeant and commander responsibilities for reordering FST equipment and supplies.
- Identify those FST supplies that have special handling requirements.
- Determine the FST supplies and equipment required to support a deploying unit.

FST Member's Responsibilities

FST Member's Responsibilities

- Check for cleanliness and serviceability

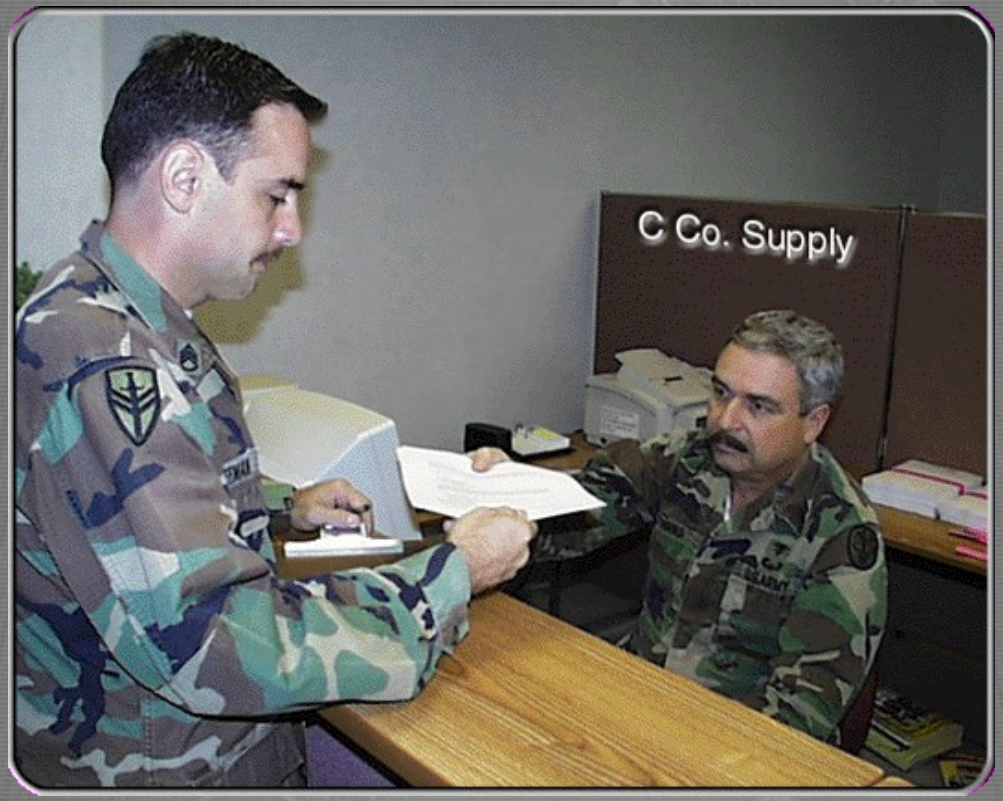
FST Member's Responsibilities

- Check expiration dates
- Check condition of containers
- Check for sufficient quantities

FST Member's Responsibilities

- Order replacements

Supply Sergeant's Responsibilities



- Complete paperwork
- Order items
- Inform FST when items are available

Commander's Responsibilities

- Overall responsibility
- Ensure FST is trained, equipped, on orders
- Ensure FST equipment is available at all times

Special Considerations

- FORSCOM Reg. 700-2
  - Authorizes pre-stocking and storage
- Items are stored in metal chest or footlocker

Special Considerations

- **Calcium Hypochlorite**
  - **Store away from organic materials**
  - **Proper storage of 6 oz. bottles**
    - **Ziplock bag**
    - **Ammunition can**

Special Considerations

- Do not pre-stock rodenticides
- Insect repellents, insecticides and rodenticides require special handling and labeling

•Special Considerations

- Store in original packaging
- Repackage in fiberboard or plywood
- Store in cool, dry, well ventilated area

Required Quantities

SUPPLY ITEMS FOR PROVIDING POTABLE WATER

ITEM	NSN	UI	AUTH QTY	CL
*Calcium Hypochlorite 6 oz jar	6810-00-255-0471	BT	1/50 indv	2
Chlorination Kit, Water Purification	6850-00-270-6225	KT	1/15 indv	2
Chlorination Kit, Water Purification	6850-01-374-9921	KT	1/15 indv	2
Chlorine Test Tablets DPD #1 (100 tablets)	6550-01-044-0315	PG	1	2
Water Purification Tablet, Chlorine (10 tablets)	6850-01-352-6129	PG	10/indv	2
Water Purification Tablet, Iodine, 8 mg (50 tablets)	6850-00-159-2218	BT	2/indv	2

SUPPLY ITEMS FOR CONTROL OF ARTHROPODS/RODENTS

ITEM	NSN	UI	AUTH QTY	CL
Chest, #3, 30x18x10 Aluminum	6545-00-914-3480	EA	As reqd to load	9
*Insect Repellent, Personal Application, 2 oz tube (12 tubes/BX)	6840-01-284-3982	BX	4 tubes/indv	9
